“Getting It Right in Camera Using Filters”

A Presentation by Jim Brompton

Monday November 25, 2024 at 7:30pm (Pacific) *

Jim Brompton is a professional and award-winning Canadian fine art and nature photographer residing in Kelowna, BC. He is known as a master of understanding light and creates photographs that display incredible depth and detail. He received the prestigious Master in Fine Art designation from Master Photographers International and joins less than 100 in the world with that designation. Also, he is the brand ambassador for Kase Filters. For more on Jim, visit:

In this talk, Jim will share with us how he approaches taking an image that requires little if any post-processing. He will discuss techniques for composition, managing a scene and using filters to manage light.

* Presentations take place via Zoom. The meeting starts at 7:30pm Pacific Time and the Zoom door opens at 7pm. Each presentation is available to a limited number of non-members with completion of a registration form and advance payment of \$10. Click [guest registration form](#) to go to the registration form; you will find E-transfer instructions there. Once completed you will be sent Zoom access.
